Tidy Towns Competition July 21, 2014

Tidy Town's is a provincial competition that is about a lot more than tidiness, it's also about recognizing all the volunteer support and showing our community spirit. There are a variety of categories such as heritage conservation, floral displays, urban forestry, environmental stewardship and community involvement. The Town is currently working on different community initiatives and we welcome anyone who would like to help out or participate. The judges will be visiting on Monday July 21, 2014 to view residential properties, businesses and public areas like the churches, ballfield and community buildings. If you would like to showcase your garden or chat with them on

things that your organization is a part of in the community, please let us know.

Feel free to chat with them about their projects when you see

them around the community! Welcome aboard Ashley, Damian, Megan and Nicholas!
